Special Greetings to all my regulars. I have had a very good break. We attended our son's wedding in Edmonton, Alberta. It was very lovely - perfect in fact!

So now back into the harness again and I am back to weekly visits to Delungra on a Thursday and monthly Footcare home visits.

Dates May 28, June 25, July 23, August 27. If you wish to use the Footcare Service and are not already a regular client please call me at Community Health 67 288411. Inverell

Flu vaccines are still available if you haven't already had yours. Pneumovax (Vaccine for pneumonia) is temporarily unavailable in Australia. It has to be imported from U.S.A. and hopefully will be available by the end on May. Contact your local pharmacists before you see your Doctor for this vaccine - they will know if it's available. Have a good month

Explanation of Services

Home Delivered Meals

These meals are cooked in the kitchen at the Multi Purpose Hall and are delivered to receiptants by volunteers. It is a two-course meal with a juice drink.

A variety of meals are served and dietary needs are taken into account.

Meals are delivered three days a week that is Monday, Wednesday, and Friday.

Meals for other days can also be provided but delivered on the three delivery days.

There can be many reasons for needing Home delivered meals, such as not being able to cook due to illness etc, not inclined to cook due to illness or just on your own and therefore not eating properly, not able to maintain adequate shopping supplies.

Sometimes we feel it would be good to have a particular service but due to stigma or having heard different reports about that service we continue on. Previously it was required to have a Doctors referral to be eligible for Home delivered meals, that is not the case but then on the other hand not everyone is eligible.

Home delivered meals like all services provided by any HACC Service is for older people and people with disabilities so that they can maintain independence and continue living in their own homes in the community.

If anyone is interested in Home delivered meals contact the coordinator.

Personal THANKYOU

Five weeks ago our house was on fire and we lost a great deal of our belongings. We would like to take this opportunity to show our appreciation to the community and local businesses for their support in such a hard and trying time. There is one organisation that we would like to make a special thankyou to and that is the Delungra Rural Fire Brigade. If it wasn't for their quick thinking and reactions we would have lost all our belongings. We'd also like to thank them not only for what they did on the night of the fire but also for arranging the raffle to help raise money to us to replace some of what we lost.

Once again, thank you RICK AND TRUDY
